Objective

Motivated Computer Science student with a passion for software engineering and real-world problem solving. Skilled in translating concepts into efficient code and applying academic knowledge to practical challenges. Eager to contribute to a collaborative development team and grow as a software engineer.

Education

2022 - present	Karunya Institute of Technology and Sciences B.Tech CSE(AIML) Coimbatore,Tamil Nadu, CGPA 7.89
2020 - 2022	Sri Seetharamaiah Girls Junior College Dharmavaram, Andhra Pradesh CGPA 8.78
2020	Priyadarshini Vidhya Mandir School Dharmavaram, Andhra Pradesh CGPA 8.2

Certificates

- ServiceNow CAD Certification
- Infosys Java Fundamentals
- Cisco: Programming essentials in python

Projects

Mental Health, Screen Time and Study Impact analysis.

- Mental health, screen time, and academic performance are analyzed to uncover key behavioral patterns. Users receive personalized recommendations to enhance well-being and study effectiveness.
- Users can better grasp the relationship between their habits and academic results with the aid of interactive dashboards and visual reports.

Internship

Credit Card Fraud Detection.

- Developed a credit card fraud detection model using machine learning algorithms.
- Applied Python, Scikit-learn, Pandas, and NumPy for data preprocessing, feature engineering, and model training within an Agile framework.
- Gained experience in anomaly detection, handling imbalanced datasets, data visualization, and classification techniques.

Technical skills

- **Programming Languages:** Java, HTML, CSS
- **Courses:** AI Principles and Techniques.

Non-Technical Skills

- **Team Player, Communication skills, MultiTasking, Dedicated and committed to work, Time Management.**
